

Children's Ministries 2018-19

During our time of transition, we will be following a simplified Children's Ministries routine. Our children will experience sitting through a whole church service, and be encouraged to follow along, with the help of a work sheet. They will get more personal age appropriate teaching downstairs twice a month, and then once a month get to have lots of fun and bond with their own age group and the church youth!

1st Sunday of Month: Family Friendly Service (Communion).

All children will be in the service and will be given activity sheets that will encourage them to follow the service as well as they can, fill in answers and do a little colouring.

2nd Sunday of Month: Regular Children's Ministries. This will be the usual program that we have been running downstairs with no change to timing or structure.

3rd Sunday of Month: Large Group Activity. Led by the youth, this Sunday will feature things like crafts and group games.

4th Sunday of Month: Regular Children's Ministries

5th Sunday of Month: Movie Morning
