NORTH AMERICA  
INDIGENOUS MINISTRIES

I love how the winding forest path lends us to keep on our journey even tho what is around the corner is not visible. It is so encouraging! Sometimes it's a big mud pit at the bottom of a twisted hill and other times it's a beautiful meadow with wildlife and a setting sun. No matter what is around that corner we embrace it and walk through it taking the beauty and strength it has put in our steps.

I recently had the privilege of speaking to a seniors group at a supporting church and sharing the wonderful ministry work I get to be a part of. I was encouraged and strengthened by the care shown to so many in the time spent praying by this group. Every care and concern was prayed for and updates were given. A very special friend of mine sat in the congregation and reminded me in a true sense how this group cared for others as they ministered to her in her time of grief. Even tho I went to share and encourage others, I was the one encouraged in the small moments of the group in the way they interacted and showed love to each other. True faith in caring for the widows, orphans and brothers and sisters in the Lord.

I have zoomed right along this spring taking part in two online zoom ladies retreats led by women in Naim. We met together online and listened to a thoughtful speaker who walked us through the provision of God in the scriptures and life stories, we prayed and shared together and even had a brunch time of cooking, eating and visiting! It was great to connect with the ladies and even re-establish a few old friendships.

Look at all of those wonderful JOY filled faces enjoying camp!

There is beauty in being together in a great setting, learning, exploring and growing in friendship and faith. It will be great to be back there soon... and we will fill it as we are able!

Please consider a gift of support to help with the busyness of camp ministry this summer – from food and fuel, to games and craft supplies :

Cheques can be made out to NAIM with PROJECT #3251 in the memo line.

Donations can also be made online at [www.naim.ca/donate](http://www.naim.ca/donate)

Or through the Naim office contact info on the front of this letter and online

Thank you for your strong faith that calls you to invest in sharing Gods love and in the people of the north! Be a part of Gods **love reaching hearts** in outdoor & camp ministry and building relationships ~ to help others discover and trust the God who loves them

Dates are set and camps will be planned as summer opens and progresses. The new dock for Nemeiben Lake Canoe and Bible Camp will be installed in May by a small work crew that will go into camp as soon as the ice is off the lake! Thank you to all who contributed to this project. We are looking forward to the great improvement to our driveway into camp and main swimming platform!

Plans are also underway to make a few other camps work – with adjustments if needed depending on where our covid world is at. One will be a doing life together young womens week at camp. We have a handful of women already interested in this camp and leaders are making preparations – plan a,b&c depending on where we are at! I also have a good chunk of time blocked off to get kids out to camp in whatever manner fits this summer as well as a few families that will do mini family camp together.

**Thank you** for the JOY you bring as partners in ministry and sharing the beauty of the gospel message. I am excited to continue this summer sharing the love of Jesus and the joy He brings as I work in bringing others closer to Him and each other.
